

KidWorks Youth Photography Intern Position

Length of Service:

5-6 Months (November-May)

Hours vary

Flexible Schedule (must be available during some weekday evenings from 4-7pm to attend program events)

Nature of Work:

The Marketing & Communications team is essential to KidWorks as they provide integral support to the organization as a whole. This team is looking for an individual who is passionate about community-centric marketing and telling stories through a camera. As a Photography Intern, you will work closely with the team to produce compelling content through photography and social media, as needed. As a youth intern, you will be encouraged to bring your unique perspective and new ideas to the table. You will be given the opportunity to capture the story of KidWorks through a lens of someone who has gone through the programs yourself.

This Photography Intern position also serves as a great resume builder as you hone your skills in photography, photo editing, and marketing. This is an unpaid Internship. Class credit cannot be offered.

Candidate Skills and Qualifications:

- Culturally competent
- Experience in photography and photo editing
- Passionate about the mission of KidWorks
- Able to complete tasks in an organized and timely manner

Candidate Skills that are a plus, but not necessary:

- Experience in videography and video editing
- Experience in social media management
- Bilingual English-Spanish

Roles and Responsibilities:

- Attending different program events to capture photos for web promotion and social media
- Participating in various video projects
- Brainstorming and implementing new photo projects that align with the MarCom strategy

Will be supervised by and report to: Rachel Saavedra, Marketing & Communications Coordinator.
