**Back for its second year, we're thrilled to invite you to join us for Cars & Cocktails: Funding a Foundation for Success. In 2024 – after 17 years of successful luncheons – we shifted gears to a new event. It was a wonderful success and we can't wait to cruise into this year's event. Rev up for an extraordinary night of classic cars, magical cocktails and exclusive corporate networking.**

***Funds raised will directly benefit hundreds of KidWorks students as they continue on their journey toward college and career success.***

## ABOUT KIDWORKS

**KidWorks exists to unleash youth potential.**

In 1993, KidWorks launched a summer program serving a handful of youth in a small, one-bedroom apartment in central Santa Ana. Thirty years later, KidWorks continues to thrive in the same neighborhood, walking alongside hundreds of youth and families each year.

From Pre-K to B.A., KidWorks lives out its mission to inspire purpose in youth, fuel their growth and catalyze their impact in the community.

Serving students from under-resourced communities, KidWorks understands that grades alone do not define a person. We intentionally provide holistic programming focused on personal & spiritual development, leadership training, college readiness and academic support.

**Join us in honoring the exceptional impact of  
Emily Mandrup & ECM Management on November 13, 2025  
at Cars & Cocktails: Funding a Foundation for Success.**

KidWorks is honored to announce ECM Management & Emily Mandrup as the 2025 recipient of the Dan Donahue Leadership Award!

This award recognizes KidWorks' most dedicated supporters who share our passion and commitment to equipping students growing up in Santa Ana's most under-resourced neighborhoods to lead lives of influence and positively impact their community. A champion of KidWorks for nearly 2 decades, Emily and her company truly embody the spirit of this award.

Inspired by a student's story at a 2007 fundraising event, Emily toured the Dan Donahue Center and instantly fell in love with the KidWorks mission. Within weeks, she had rallied her NAIOP SoCal Young Professionals group to fill weekly tutoring slots — and she hasn't stopped leading since.

Her impact has been felt in countless ways: wrapping toys for the Christmas Store, supporting the KidWorks Women's Committee, inspiring seniors at Career Day, and sparking generosity by offering matching year-end gifts. In nearly two decades, Emily Mandrup and ECM Management have contributed over \$250,000 to KidWorks programs. In 2024, she spearheaded the launch of Cars & Cocktails: Funding a Foundation for Success.

This year, Emily stepped into her newest role as Board Chair and the ECM Team played a pivotal role in the renovation of Bishop Manor, KidWorks' newest Spoke Center.

KidWorks is deeply grateful to Emily and ECM Management – a faithful partner who leads with a passion, professional expertise and generosity.
