THE KIDWORKS DIFFERENCE

Intentional, whole person development helps students discover their God-given potential.

- Diverse programs and caring staff create an environment that empowers youth to lead a life of influence.
- From Pre-K to B.A., caring staff and mentors make an 18-year commitment to students and families fostering trusted relationships.
- Personalized guidance ignites internal growth and sets students up for success on their journey towards meaningful careers.
- Students serve as leaders, equipped with a foundation of faith, a sense of purpose and a passion for service.

OUR IMPACT*

Since 1993, in partnership with our donors, thousands of lives have been positively impacted. Our grads serve as role models, equipped with a foundation of faith, a sense of purpose and a passion for service.

- **100%** of high school seniors reported that KidWorks College and Career programs were instrumental in preparing them to go to college.
- **100%** of high school seniors graduated on time and plan to pursue higher education.
- **100%** of high school graduates who requested a mentor were paired with a working professional, ensuring they have support as they enter post-secondary education.
- **100%** of college students who attend a 4 year university graduate on average within 4 years.
- **100%** of college students persisted from their first to second year of college.
- **92%** of youth feel empowered and inspired to explore new possibilities for their future.
- **90%** of preschool students who are eligible for kindergarten are assessed as Kinder-ready (compared to 44% of children who enter kindergarten developmentally ready in Santa Ana).
- **48%** of high school graduates are pursuing STEM-related majors.
