

CHRISTMAS STORE

Each year, KidWorks collects over **1,500** gifts for our Annual KidWorks Christmas Store.

To provide our parents with the joy of purchasing Christmas gifts for their children, toys are made available to our parents at a fraction of their retail value.

KidWorks parents are given the opportunity to shop for their children, contributing to the dignity and pride they experience in providing holiday gifts for one another. This treasured tradition empowers families and helps restore hope in our community.

Proceeds collected from the store go to a benevolence fund to assist KidWorks families in need throughout the year.

There are **3** easy ways you can help this holiday season:

1. Host a Toy Drive:

Host a toy drive at your company, church or organization. Add a toy drive to your holiday party or your community group's holiday giving. All gifts must be collected by Thursday, December 10.

Whether you collect 10 toys or 100, we're honored to have you join us in supporting KidWorks families.

2. Donate Toys:

Enjoy an afternoon of shopping for KidWorks students at your favorite store or make a purchase off of [KidWorks Amazon Wish List](#).

If you ship toys directly to KidWorks, please write your name and contact information in the gift message so we can thank you!

3. Wrap Gifts at the Christmas Store:

Wear your holiday sweaters, bring your festive cheer and help us serve KidWorks parents on this special day.

Wrapping supplies will be provided, but all volunteers are invited to bring a roll of your favorite wrapping paper or finishing touches.
